| July 18–19 | VALLEYFIELD                  | Slalom, U23 championships, DR sprint  |

Whitewater Ontario was asked by paddling clubs and organizations across North America to host a July Summer Race series. This year, it will combine **over-all point champions**.

Our mission is to combine all whitewater disciplines with slalom as the focus.

A training camp will be held the week before the Gull and the week prior to the final race in Valleyfield. Camping is available at all venues.

US Junior Olympics will be a combination of points from the Gull, MKC, Ottawa and Pumphouse events. The final race in Valleyfield will also be the first annual U23 championships.
