The third annual Hell or High Water Festival featuring the inaugural Ottawa Valley Raft Championships held May 07, 2011 in Petawawa was a huge success.

This festival was intended to draw residents and visitors alike to Petawawa to share in the spectacular natural beauty of our area and celebrate the energy that this river brings to the town. And secondly, we were working to raise funds for three worthwhile causes important to the residents of this community: Soldier On, PMFRC, and Whitewater Ontario.

We succeeded.

This year's event drew over 400 participants to the shores of the Petawawa River. There were canoes, kayaks, and rafts taking to the water while countless other spectators, photographers and visitors crowded the riverbanks. As well, we were able to raise \$6,900 in support of Whitewater Ontario, Soldier On and PMFRC

The comments from the community and visitors alike were overwhelmingly positive, and we have high hopes for a successful event again next year.

We are pleased to enclose a cheque in the amount of \$2,300.00 to Whitewater Ontario.

With sincere gratitude,

2011 HOHW Organizing Committee
